

POSTMASTER  
BERKELEY

October 19, 2006

To Whom It May Concern:

This letter is written in behalf of the Coalition of University Employees Election Committee. We have been advised by the committee that election ballots were mailed out with a business reply envelope enclosed on September 27, 2006. The business reply envelopes (containing votes) were due back to the committee by Thursday, October 12, 2006. The committee received approximately 200 business reply envelopes by the October 12<sup>th</sup> deadline and believed that they had all the ballots.

On October 16, 2006 we delivered 350 additional business reply envelopes containing ballots to the committee. The additional ballots were received by the Postal Service prior to the October 12, 2006 deadline. However due to Postal Service error, they were not delivered to the committee until October 16, 2006. The Postal Service apologizes for any inconvenience we may have caused the committee or the Coalition of University Employees members.

If my staff or I can provide any additional information, please contact Customer Relations Coordinator Mercer Jones at 649-6748.

Sincerely,

A handwritten signature in black ink, appearing to read "Catherine P. Shearer". The signature is fluid and cursive, with a long horizontal flourish extending to the right.
